

VILLAGE OF WATERFORD THE BRIDGE

Connecting Community Resources

JANUARY - MARCH 2014

MEET YOUR NEW VILLAGE CLERK

The Village of Waterford is pleased to welcome Carrie Orlovsky as the new Village Clerk. She brings a wealth of experience to the position. She attended Carthage College where she received a B.A. in Business Administration, working in healthcare, banking, government, as well as with several international corporations. She has traveled throughout North and South America, Canada, Mexico, and Europe. While her travels didn't take her to the Far East, her work experiences had her working with colleagues in Hong Kong, China, Australia, and New Zealand. Carrie's professional accomplishments include a role with the Racine County Economic Development Corporation.

Carrie has been married for 23 years to Tom, a graphic designer and manager. Born and raised in Racine, she and Tom set down roots in western Racine County in 2001. Carrie enjoys the outdoors, working in her perennial and vegetable gardens, landscaping and training their rescue dogs. They usually rescue Beagles or Bassets but are not inclined to deny a dog a home, and have taken in a variety of dogs that were given up by their owners. Their large property provides ample room for Max, a red-bone coonhound, Maggie, a Nova Scotia duck tolling retriever, and a Beagle-Basset mix named Dottie. "It always amazes me how smart these dogs are. If you neglect their training, they will remind you. Their excitement in reuniting with me after my day at the office gives meaning to each day," states Carrie.

Carrie's varied interests include cooking/baking, reading about current events, quilting, and most of all the dog training. On the weekend, Carrie helps her mom and some of the other seniors in the same building with their errands, grocery shopping, and simple tasks that have become difficult for them as she enjoys listening to their "how it used to be" memories.

"There is a great sense of satisfaction in giving of yourself to help others who can't do for themselves or have been forgotten by their families."

WINTER SAFETY TIPS

Hypothermia is a deadly drop in body temperature. **Warning signs of hypothermia:** extreme shivering; cold pale or ashy skin; very tired, confused and sleepy; weakness; problems walking; slowed breathing or heart rate. Note: Don't rely on shivering alone as a warning sign; older people tend to shiver less, or not at all, even as their body temperature drops. Call 911 if you suspect hypothermia.

Here is how to avoid hypothermia:

- ♦ Stay indoors when it's very cold and windy outside.
- ♦ If you have to go outside, don't stay out long. Wear two or three thin layers of loose-fitting clothing. Layers are warmer than a single thick layer. Always dress in outwear designed for the cold - hat, gloves or mittens, and a scarf to cover your mouth and nose to protect your lungs from very cold air.
- ♦ Go indoors if you start shivering is a warning sign that you're losing body heat.

Frostbite is damage to the skin that can go all the way down to the bone. Usually affects exposed skin, fingers and toes; can result in loss of limbs; people with heart disease and other circulation problems are more likely to get frostbite. **Telltale signs of frostbite:** skin that's white, ashy, or grayish-yellow; skin that feels hard or waxy; numbness. If you suspect frostbite, call for medical help immediately.

To protect against frostbite:

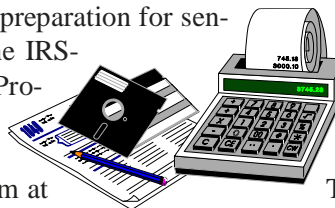

- ♦ Cover up all parts of your body when you go outside
- ♦ If your skin turns red or dark or starts hurting, go inside right away.
- ♦ Don't walk on frostbitten feet or toes if possible.
- ♦ **Gradually** warm affected areas in warm water, not hot. Or cover in warm blanket.

SENIOR CITIZENS

PLANNING FOR INCOME TAX SEASON

The Tax Counseling for the Elderly Program (TCE) provides free tax help to people over 60. Trained volunteers provide free tax counseling and basic income tax return preparation for seniors. As part of the IRS-sponsored TCE Program, AARP offers the Tax-Aide counseling program at more than 7,000 sites nationwide during the filing season. Trained and certified AARP Tax-Aide volunteer counselors help people of low-to-middle income with

special attention to those age 60 and older. For more information on TCE, call 1-800-829-1040. To locate the nearest AARP Tax-Aide site, call 1-888-227-7669. AARP will begin offering tax assistance on February 1 for the previous tax year. Visit their website www.aarp.org/money for the Tax Aide site locator. For low income and disabled individuals there are Volunteer Income Tax Assistance (VITA) programs to help with tax preparation; for more information, go to www.revenue.wi.gov/faqs/pcs/vita.

RACINE COUNTY TRIAD

Racine County Triad Program was started by the Consumer Fraud Unit of the Racine County Sheriff's Department in response to complaints involving elderly victims of fraud. The consortium of Racine County law enforcement agencies, senior serving agencies and citizens has directed its effort to prevent seniors from being victims of financial crime and elder abuse.

TRIAD West was formed to address the needs of residents who live West of I-94 and has made a significant difference in coordination between agencies and individuals in the western part of the county. TRIAD West meetings are held in Burlington at Pine Brooke Pointe Senior Living Center, 1001 S. Pine Street on the 4th Tuesday of every month at 9:00 a.m.

TRIAD offers presentations on Fraud Awareness, Elder Safety, Driver Safety, Banking Safeguards, Identity Theft Prevention, and more. Visit www.racinetriad.org for more information or call 800-201-9490.

WATERFORD/ROCHESTER SENIOR CARD CLUB

Are you looking for a place to meet new people or have some fun with your friends? Then come to the Senior Card Club at the Ray Seidel Community Building located in Whitford Park. The group meets the 1st and 3rd Mondays of the month. They begin at 11:30 with a short prayer and lunch (bring your own).

Enjoy Sheephead, Rummy 500 or other card games until about 3:30. Other activities include a couple of pot luck dinners and a BBQ in the summer. Dues are only \$5 each year. No registration is required, just come and bring your friends! For more information, please contact Faye Pohl at 514-2474.

FREE HEALTHCARE CLINIC

When health problems arise, the cost of healthcare can be one of the most stressful aspects people encounter. Without health insurance or a stable income, it can be especially difficult to get the healthcare you need. Tight finances can lead people to decide not to seek care, which can lead to unmanaged chronic conditions and medical emergencies. It has been found that uninsured people are over thirty percent more likely to be in fair or poor health than insured persons.

In the July 2012 Western Racine County Community Health Survey Report, six percent of respondents reported that they were not covered by any health insurance. Sixteen percent reported that someone in their household was not covered by health insurance during at least part of the prior year. Often, these people earn too much to be eligible for government assistance, yet earn too little to afford comprehensive medical insurance.

Health Care Network, Inc. and the Western Racine County Health Department are working together to provide free health services to uninsured Racine County residents who have limited or no income. In July of 2013, a clinic staffed by volun-

teer physicians and nurses opened at the Health Department at 156 E. State Street in Burlington. This clinic helps provide medical care, including necessary diagnostic tests, prescription assistance, and referral to specialists. Since July, over 100 residents have been helped by this clinic.

Clients are seen at the clinic on Wednesday mornings only by appointments made in advance. To qualify, Racine County residents must be uninsured, not eligible for Medicaid, BadgerCare, or Medicare, and must meet the program income guidelines. Qualified individuals need to provide proof of residency and a photo ID at their first appointment.

To apply and schedule an appointment with the Health Care Network clinic, call the Western Racine County Health Department at 262-763-4930.

The Western Racine County Health Department wishes to thank the physicians, nurses, and other professionals and support agencies who volunteer their time, skills, and finances to make this clinic possible.

** Free program — Affordable Health Care Information and Enrollment Sessions at Waterford Library. See page 12 for more information.*

NEED ANSWERS?

IMPACT 2-1-1 is a central access point for people in need. The free, confidential helpline makes it easy for people in personal crisis or community disaster to get the information and help they need. Residents in Racine County can simply dial 2-1-1 to speak with a Community Resource Specialist, a professional trained to listen carefully to a caller's needs, help assess their situation and connect them to an agency that can respond to their needs.

Help with family, child, and senior issues, substance abuse, health care access, jobs and training, utility and housing, and much more available.

See a complete listing of resource through the online director at www.impactinc.org or call 211.

2014 PARK RENTALS

WHITFORD PAVILION AND RAY SEIDEL BUILDING

Reservations are accepted on a first come, first served basis. Contact the Village Hall, 534-3980, extension 229 or download the application from the Village website, www.vi.waterford.wi.gov.

Any citizen (resident or non-resident), group, private business, or governmental organization may request a reservation for use of the Whitford Park Pavilion or Ray Seidel Community Building.

Rental hours are 8 a.m. to 10 p.m. Reservations during the summer months are limited for Whitford Park Pavilion due to baseball and softball tournaments.

2014 Fees

Both facilities require a \$150 Cleaning Deposit

Ray Seidel Community Building
Enclosed Facility
Accommodates up to 200 people
\$150 Resident / \$200 Non-resident

Whitford Park Pavilion
Not Enclosed
Includes Diamond 2/Volleyball Ct
\$75 Resident / \$125 Non-resident

WIS 20/83 (MAIN/FIRST STREET) UPDATE

The Wisconsin Department of Transportation (WisDOT) Southeast Region in Waukesha continues with the preliminary design on the WIS 20/83 (Main/First Street) project, from Buena Park Road to WIS 36 (Milwaukee Avenue). The work will also include the reconstruction of East Main Street from First Street to Milwaukee Street. On August 26, 2013, the design team held the second public information meeting to discuss the project with the public, present preliminary design alternatives, and gather comments.

Archeological and historical investigations were conducted as part of the environmental assessment to document the project impacts on the environment and community. Reports were submitted to the State Historical Preservation Office for review. It was their determination that the East Main Street Downtown Commercial Historic District (between the Fox River and Second Street) is potentially eligible for the National Register of Historic Places under Criterion A as an intact collection of downtown commercial buildings that stands as the principal commercial center of the Village of Waterford, which emerged after an 1898 fire destroyed almost all businesses on the east side of the Fox River. The building located at 101 East Main Street is a contributing member of the one block commercial historic district and has to be removed to improve the safety and efficiency of the Main Street and First Street intersection. Removing that building impacts the historic district, so mitigation alternatives are being investigated and discussed with stakeholders. Due to this recent development, the proposed interim intersection improvement project, in which traffic signals were going to be installed in 2014 has been pushed back to 2015 construction. The reconstruction project is still on track for construction in 2018.

Comments regarding the project can be directed to Janet Cannon, P.E., WisDOT Project Manager, at (262) 548-6890 or janet.cannon@dot.wi.gov or John Elkin, P.E., Senior Project Manager, R.A. Smith National, Inc. at (262) 317-3312 or John.Elkin@rasmithnational.com.

WINTER WEATHER WARNINGS

WHAT DO THOSE WARNINGS REALLY MEAN?

The National Weather Service uses consistent language to inform us of potential weather hazards. Let's be safe during Wisconsin winters.

Hazardous Weather Outlook includes any potential weather hazard out to seven days. Provides a short description of the weather threat, when it is expected, and how much it may impact the region.

Winter Storm Watch is issued when there is the potential for a winter storm during the next one to three days. Does not always mean the area will be hit but there is uncertainty of the exact path or timing of the event. Use the time to prepare. If traveling, check alternative routes or delay departure. Be alert for changing weather conditions.

Winter Weather Advisories are issued for weather events expected to be more inconvenient, but not life-threatening if caution is exercised. These are often issued for 3 to 5 inches of snow with blowing and drifting, freezing drizzle, or a combination of these elements. May be issued for less snow in early season when drivers may not be accustomed to slick roads.

Winter Storm Warnings are issued when dangerous winter weather is expected, occurring, or imminent and can become life-threatening. Criteria includes snowfalls of 6 inches or more in 12 hours, or lower amounts if accompanied by strong winds or a combination of dangerous winter elements. Avoid unnecessary travel.

Blizzard Warnings, the most dangerous winter event, are issued when snow or blowing snow lowers visibilities to a 1/4 mile or less, wind gusts hit 35 mph or higher, and the storm lasts for 3 hours or more. Travel is dangerous and should be avoided if possible.

Ice Storm Warnings are issued when freezing rain will cause widespread glazing, with a coating of ice is expected to be 1/4 inch thick or more, making travel nearly impossible. For lesser amounts of ice, a **Freezing Rain Advisory** would be used, but even a thin glaze of ice can make travel difficult. Avoid travel.

Wind Chill Warning is issued when wind chills of -35 F or below are expected. A **Wind Chill Advisory** is issued for values of -20 or lower. Dress warmly and cover as much exposed skin as possible. **Wind Chill Index** is a calculation of how cold it feels outside when the effects of temperature and wind speed are combined.

SNOW REMOVAL

Owners or occupants are responsible for removing snow and ice from sidewalks **within 24 hours** after the end of any storm. They are also responsible for treating sidewalks with salt or sand to prevent slippery and dangerous conditions for pedestrians. Snow is **not** to be pushed from private driveways and sidewalks into or across public roadways. Non-compliance will result in a citation without prior notice.

Adopt a fire hydrant during the winter months. If you have a fire hydrant in front of your property, the Fire Department asks that you clear it of snow buildup. This will aid in locating the hydrant for fire fighting - protecting your home and your neighbors.

SNOW EMERGENCY

Snow emergencies will be declared if we are to experience a snow-storm of six inches or more in a 24 hour period, a blizzard, or blowing and drifting snow. The snow emergency would prohibit parking on any street or alley in the Village between 10:00 p.m. and 6:00 a.m. Notification and termination of such an emergency would be announced through the media and on the Village website, <http://www.vi.waterford.wi.gov>.

Any vehicle found in violation may be removed without notice.

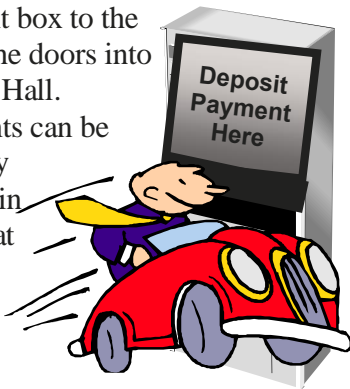

NEW DROP BOX EASY DRIVE-BY DEPOSITS

Just in time for nasty winter weather...an easy way to drop off tax and utility payments or fines to the Village, securely and conveniently, without leaving your vehicle!

The **new** drive-by drop box for on N. River St., directly across from Village Hall is expected to be ready in time for tax collection. This will replace the payment box to the left of the doors into Village Hall.

Payments can be made by mail or in person at Village Hall.

SNOW PLOW SAFETY

During winter storms, it is important to watch out for emergency and snow plow crews. By law, you must stay back at least 200 feet from the rear of a snowplow.

The law requires you to slow down or move over when approaching emergency or maintenance vehicles, including snowplows, parked on the side of the road when they have their flashing lights turned on. If you approach a parked emergency or maintenance vehicle during a winter storm and decide to change lanes be extra careful. The passing lane may be in worse shape than the driving lane. There may also be a snow plow row between the two lanes. Avoid making an abrupt lane change. Keep your headlights on to be seen by other drivers.

In addition, watch for slippery bridge decks, even when the rest of the pavement is in good condition. Bridge decks ice up sooner than the adjacent pavement.

Let's have a safe winter,

Lt. Dan Klatt
Racine Sheriff's Office

THINK RECYCLE! RECYCLE! RECYCLE!

People may wonder why even bother with recycling? Is it really worth it? Why are we doing this? Wisconsin has a recycling law so we have no choice but to recycle. Now that trucks are coming down every street it makes sense to maximize the load & save as much as we can from the landfills. When the current landfills are full, where will we site the next one? We used to have "waste land" now there is no such thing. Wetlands are filled with wildlife and vital to a healthy ecosystem. We would all hate to use farm land for new landfills and the wooded, hill covered areas are precious to us. Recycling delays the need for new landfills.

Recyclable materials such as paper, metals and plastics are valuable global commodities for manufacturing. It is a tragedy to bury materials that are needed throughout the world. Our own paper mills in Wisconsin are always looking for more recycled paper and cardboard, they can't seem to ever get enough.

The largest item that is not recycled is paper and paper products. Most people save newspaper but way too much other paper is not saved. Recyclable paper includes: newspaper, cardboard, magazines, junk mail, office paper, cereal and shoe boxes. Even wrapping paper can be recycled but it must be free of ribbons, bows, foil and other plastic wrap. Please recycle pizza boxes after emptying and flattening. All cardboard boxes must be empty and flattened.

Recyclable items now include: paper products, cardboard, glass bottles and jars, tin and aluminum cans, pots and pans, plastic containers (#1 thru 7) including large buckets, and paper milk and juice cartons and juice boxes.

It only takes a little thought to do a great job of recycling. Recycling is a very worthwhile effort!

NEWS TO USE

LICENSE PETS BY MARCH 31 - AVOID A LATE FEE

All cats and dogs living in the Village must have a license. The fees are \$10 for neutered or spayed and \$15 for those that are not neutered or spayed. The required fee, along with proof of rabies vaccination, are due by March 31st to avoid a late fee of \$5.

Village ordinance allows for three pets in the Village of Waterford. If you live in a neighborhood governed by covenant, you must check with your association regarding number of pets allowed.

While out walking your dog, please take an extra moment to pick up after your pet and respect the property of others. Most dog owners are conscientious about their responsibility, but those who are not spoil it for everyone. Vacant lots are owned by someone and should not be used for your pets dumping grounds. All pets must also be on a leash.

TAX BILLS

We are at the busiest time of the year for our office. Please be prepared with your check written out in advance before you step up to the counter and have your payment stubs available also. Don't forget to endorse any escrow checks! Sorry, we cannot sign over any escrow checks under any circumstances. An information flyer was included with all tax bills, please read it carefully.

If you didn't receive the Lottery Credit in the amount of \$141.51 on your tax bill, ask us how to qualify. The first installment, at least, of real estate taxes is due and made payable to the Village of Waterford by January 31, 2014. Late payments made in person or postmarked after that date will be considered delinquent and forwarded to the Racine County Treasurer for processing of penalties and interest.

SPRING ELECTION INFORMATION

An election will be held in the Village of Waterford on Tuesday, April 1, 2014. If a Primary is necessary, it will be Tuesday, February 18th. The following offices are to be elected to succeed the present incumbents listed whose terms of office expire on April 14, 2014. The term for Village Trustee begins April 15, 2014. The Village President and Trustee terms are for two years.

Trustee	Donald Houston
Trustee	Stephen Denman
Trustee	Ronald Kluth

The first day to circulate nomination papers was December 1, 2013 and the final day for filing papers is 5:00 p.m. on Tuesday, January 7, 2014.

TIDBITS

CHRISTMAS TREES

The Department of Public Works will pick up your natural Christmas tree. Remove all ornaments and lights before placing curbside. Trees will be picked up throughout the winter months.

DAYLIGHT SAVINGS

We just made the fall back to standard time, but before we know it, it will be time to spring ahead. Mark your calendar now to adjust clocks ahead on Sunday, March 9, 2014.

OVERNIGHT PARKING

Overnight parking restrictions are in place from 2:00-6:00 a.m. all year. On even-numbered calendar dates, vehicles should be parked on the side with even-number addresses; likewise with odd-numbered dates and addresses. Calendar date is determined after midnight. So if you park at 10 pm on Jan. 11, planning to be there overnight, you would park on the even side of the street as it will be Jan. 12 after midnight. Tickets are \$20 and increase to \$25 if not paid within five days.

JANUARY - MARCH 2014

WATERFORD POLICE NEWS

In the last five years Wisconsin has averaged 50,000 motor vehicle crashes during winter months. An average of 45 people are killed and more than 5,000 injured on icy or snow-covered roads each year.

Winter Driving Tips

“Slow down, and allow enough distance between you and other motorists in the event you need to stop quickly,” commented Sheriff Christopher Schmaling, “If you cannot postpone or delay your travels, please buckle up and drive responsibly.”

The Racine County Sheriff's Office offers these tips:

- Clear snow and ice from all windows and lights - even the hood and roof - before driving.
- Pay attention. Don't try to out-drive the conditions. Remember the posted speed limits are for dry pavement.
- Go Slow!
- Increase your following distance. Leave plenty of room for stopping.
- Use brakes carefully. Brake early. Brake correctly. It takes more time and distance to stop in adverse conditions.
- Don't use your cruise control in wintry conditions. Even roads that appear clear can have sudden slippery spots and the short touch of your brakes to deactivate the cruise control feature can cause you to lose control of your vehicle.
- Use headlights during winter weather for better visibility.
- Don't get overconfident in your 4x4 vehicle. Remember that your four-wheel drive vehicle may help you get going quicker than other vehicles but it won't help you stop any faster. Many 4x4 vehicles are heavier than passenger vehicles and actually may take longer to stop. Don't get overconfident in your 4x4 vehicle's traction. Your 4x4 can lose traction as quickly as a two-wheel drive vehicle.
- Do not pump anti-lock brakes. If your car is equipped with anti-lock brakes, do not pump brakes in attempting to stop. The right way is to “stomp and steer!”
- Look farther ahead in traffic than you normally do. Actions by cars and trucks will alert you quicker to problems and give you a split-second extra time to react safely.

Remember that trucks are heavier than cars. Trucks take longer to safely respond and come to a complete stop, so avoid cutting quickly in front of them.

Vehicle Emergency Kit

The most important thing you can do is create an emergency supply kit for your car. It could save your life because you never know when you might be stranded in a storm. You'll need to take care of yourself and your passengers until help arrives. Your kit should include:

- Blankets or sleeping bags
- Flashlight with extra batteries
- Candles and matches
- First-aid kit and necessary medications in case you are away from home for a prolonged time
- Shovel, booster cables and windshield scraper
- Non-perishable food items containing protein such as nuts and energy bars; canned fruit and a portable can opener
- Water
- Sand or cat litter for traction
- Cell phone adapter

In addition, be prepared for an emergency by keeping your gas tank full and if you find yourself stranded, be safe and stay in your car, put on your flashers, call for help and wait until it arrives.

Official Payments, the service provider, charges a nominal fee

WATER & SEWER

HARD WATER

Minerals that cause hardness in water have a wide impact on households. Calcium and magnesium are the two most common minerals that makeup hard water. Like most communities in south-east Wisconsin that use ground water the Village of Waterford has hard water that ranges between 25 and 29 grains per milligrams. You can reduce water hardness by buying or renting a mechanical water-softening tank.

BENEFITS OF WATER SOFTNER

- Laundering- Reduction of soap and softer clothing
- Dishwater-Reduction of water spots and filming on dishes
- Bathing-Reduction of soap, and filming on glass
- Piping-Reduction of scale
- Water Heater-Reduction of water sediment

BILLING DATES AND PAYMENT

Water and sewer customers are billed quarterly. Below are the billing dates for 2014:

Quarter	Approximate Dates of Service	Bills Out	Due
1st	Beginning of December - Beginning of March	3/20/14	4/20/14
2nd	Beginning of March - Beginning of June	6/20/14	7/20/14
3rd	Beginning of June - Beginning of September	9/20/14	10/20/14
4th	Beginning of September - beginning of December	12/20/14	1/20/15

To avoid a 3% penalty, payment must be received or postmarked by the due date. You may pay by mail (Village of Waterford, Water & Sewer, 123 N River Street), use the drive-by drop box located on N. River St. (directly across from Village Hall), or pay in person.

Payment can also be made through Official Payments (see contact information to the left). There is a convenience fee of \$3.00 per electronic check and \$5.95 per a limit of \$300.00 placed on a credit card payment.

Please note that separate checks are required for tax payments and utility payments. An additional drop box in the Village Hall lobby is also available to citizens. During the busy tax collection season, we request that either one of the drop boxes be utilized for utility payments. We appreciate your cooperation.

LIBRARY NEWS

ADULT EVENTS AT YOUR LIBRARY

Please pre-register for all adult programs. If there is a fee, pre-payment will guarantee that materials and your seat will be reserved.

You can always check the calendar on our website www.waterford.lib.wi.us for more information also.

Plus, you can "like" us on Facebook and get messages

Book Signing – Jim Rice

Wednesday, January 8, 6:30 p.m.

Jim Rice is the author of *Giant Cheeseheads: The Giant-Packer Rivalry and the former Giants who helped the Packers become Champions*. The book details the close and interesting relationship between two of the oldest franchises in NFL history. He has also written a second book, *Great Games of the Gridiron*. Books will be available for purchase for \$10 each. This program is free.

Great Homemade Soups

Thursday, January 16, 11:30 a.m.

January is National Soup Month and we are celebrating with all new Homemade Soup recipes. We will cover the basics of soup making from preparation of stocks to soup ingredients and serving ideas. You will receive lots of recipes including the ones you'll taste: *Lasagna, Cheeseburger, Loaded Baked Potato and Chicken B.L.T.* Participants will receive sample size portions of each of the soups. *Class fee: \$12.50 per person.*

Wisconsin Winter Escape!

Thursday, January 23, 6:30 p.m.

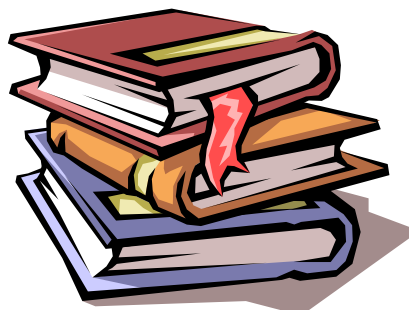

Join us for a showcase of options for warm weather getaways. Palace Resorts, Lomas Travel, Karisma Hotels and Resorts, and Funjet Vacations will be here to offer suggestions and help plan your dream vacation. Sponsored by Bon Voyage Cruise and Vacations. *This program is FREE.*

Computer Security with Don Bray

Tuesday, February 4, 6:00 p.m. to 7:45 p.m. And Saturday, February 15, 10:00 a.m. to Noon

SecURity - öU R Itö - We'll be using this phrase for a Security Awareness Program. No matter what type of hardware or software you happen to use, YOU are always the most important and critical line of defense against security breaches and issues. Handling of user IDs and passwords, internet and email usage, mobile device and laptop security, social engineering and incident response are the topics that will be covered in the Security Awareness Program. *This program is free.*

Valentine Truffle Box

Tuesday, February 11, 6:00 p.m. to 8:00 p.m.

Surprise your Valentine or wow your guest at your next party with homemade truffles! Learn how to hand roll truffles, dip them in chocolate and add the finishing touches to make them special. Several flavors will be made. Your personalized treats will go into a Valentine box for gift giving, or a candy box to take home. *Class fee: \$25 per person.*

Vacation Planning

Thursday, February 27, 6:30 p.m.

Join Bon Voyage Cruise and Vacations to plan your next dream vacation!

Destination information will be decided closer to the meeting day. Watch our website for further details. *This program is FREE.*

BOOK CLUB

New For 2014!

The Book Club will be meeting at 5:30 p.m. the last Wednesday of each month in the History Room.

Please call to reserve a spot for the discussion. Copies of the featured titles are available each month at the circulation desk.

Downsizing – Let's Get Started!

Monday, March 3, 6:00 p.m. – 8:00 p.m. – Kathi Miller

Whether you are considering your own move to a new home or assisting a relative, downsizing can be challenging. Kathi Miller, Clutter Coach, shares her expertise to help you navigate this transition. This course covers what to take, what to leave behind, and how to go about deciding. *Class fee: \$12 per person.*

Historical Impersonator

Tuesday, March 18 – 6:00 p.m.

Jessica Michna from First Impressions will be join us for a riveting portrayal of Abigail Adams in ðA Lifeline of Lettersö After forty years of marriage Abigail looks back to the days of her early marriage as the young wife and mother. Referring to the many letters written between the Adams, she recalls the days of revolution and uncertainty. She reminisces about the friendships forged in France and England as a diplomat's wife. Mrs. Adams brings to life the early days of Washington, D.C. as seen from the windows of an unfinished White House. *This program is FREE.*

Affordable Health Care Information and Enrollment Sessions

*Tuesday, Jan 7, 5:30 to 7:30 p.m.
Saturday, Jan 11, 9:30 to 11:30 a.m.
and 12:30 to 2:30 p.m.
Wednesday, Jan 15, 5:30 to 7:30 p.m.*

Participants will leave with all the information they need to start the process. To begin registration you will need: Your family members' social security numbers, your 2014 estimated income, the names of your doctors with contact information and a list of current prescriptions. *This program is free.*

Bon Voyage

Thursday, March 27, 6:30 p.m.

Join Bon Voyage Cruise and Vacations to plan your next dream vacation! Destination information will be decided closer to the meeting day. Watch our website for further details. *This program is FREE.*

Digital Photography Club

Third Wednesday of each month, 6:30 p.m.

The club will resume meeting on the third Wednesday of each month at 6:30 p.m. under the new direction of Robin Duran of 360 Image Media. Please take the time to take a brief survey Robin has compiled to flush out the club's interests in topics for future meetings at:

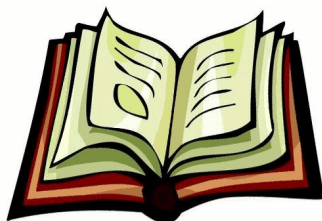

<https://www.surveymonkey.com/s/MY8CMG3>.

The itinerary planned for 2014:

January 15: Welcome back the photography club and new members. Discuss survey results, and topics and ideas for upcoming meetings.

February 19: Photography challenge 1 assignment, to be determined based upon discussion and survey comments. Discuss additional ideas and suggestions for future meetings.

March 19: Photography challenge 2 assignment, to be determined based upon discussion and survey comments. Review and critique challenge #1 photos. There may be an appearance by a guest speaker at this meeting. *There are no fees but registration is required.*

Now you can print from your Smartphone, Laptop or Tablet to the Waterford Public Library! By using the Ricoh Hotspot Multi-Function Device powered by PrinterOn.

Please visit www.printeron.net/ricoh/510927 for more information.

B & W copies \$0.10 per page.

Color copies \$0.75 per page.

Watch the Waterford Public Library's website and Facebook page for future musical performances throughout the year!

PROGRAMS FOR CHILDREN

Twice a month STORYTIMES

January 8 or 9 - January 15 or 16
February 12 or 13 - February 19 or 20
March 12 or 13 - March 19 or 20

Lap-Sit is at 9:15 a.m. for children under 3 (with their caregivers). Sign language, stories, finger plays, and songs are included in the 20 minute sessions.

Pre-School is for 3-year-olds at 10:00 a.m. and for 4 and 5 year olds at 10:45. Both sessions are 30 minutes long and include sign language, stories, songs, finger plays, movement and a craft. Registration is required.

Bucks Reading Challenge

The Milwaukee Bucks Reading Challenge begins in January 2014. Children in grades 3 to 10 can earn free tickets to see the Milwaukee Bucks play by reading over an 8-week period. Stop in for more information.

Crocheting with the Hat'erpillar

*Saturday, January 4,
11:00 a.m. to noon*

Learn the basics of crocheting with Julie Misiak. She will bring all supplies necessary to learn how to crochet. Children ages 7 and up plus adults of all ages are welcome. Please sign up for this event.

Building Blocks Storytime

Mondays, January 13 - February 17, 9:30 a.m.

Linda Breuer hosts Building Blocks Storytime for pre-school families. Books and musical activities will engage parents and children ages 0 to 5. No registration is required.

Imagination Library Graduation Celebration

Saturday, January 18, 10:00 a.m.

If your child participated in Dolly Parton's Imagination Library program, is currently participating, or maybe interested in joining, come and join us to celebrate those children who have turned five and graduated out of the program! Entertainment, refreshments, resource fair, and more available for children under 6. The Puppet Story Theater will also be here to perform! All are welcome for their performance.

Meet Friday the Police Dog

Saturday, February 1, 11:00 a.m.

Friday is a Belgian Malinois who has been working with his Racine County Sheriff partner since April 2012. He is trained in tracking suspects, lost persons, handler protection and locating illegal narcotics. He and his partner, Ed Drewitz, are looking forward to demonstrating all of their skills for you at this program.

Reading to Chester

Wednesdays, March 5, 12 or 19 between 4:30 p.m. and 5:15 p.m.

Individual children and/or families can sign up for one 15-minute block of time once during March. Chester is a sweet Cairn Terrier/Dachshund mix who loves kids and loves to be read to. The sign-up sheet is in the children's area.

ABC Music & Me

*Mondays, March 3 - April 7,
9:30 - 10:15 a.m.*

It's musical Mondays at the Waterford Library! This six-week program for parents and their pre-school aged children provides a fun way to sing, listen, move, play, learn, and build early literacy and language skills. Families can join in at any time. There is no cost for the program.

TEEN PROGRAMS

Teen Advisory Board meetings are the first Saturday of each month at 10:00 a.m.

January 4 - February 1

Teens between the ages of 12-18 are welcome to become a TAB member. For information, please contact Jen at 534-3988 ext. 15 or email at jpuccini@waterford.lib.wi.us

Village of Waterford

Waterford Design Technologies

It is our mission to develop Waterford's unique identity, keeping with its rich history and promote the revitalization of the downtown Heritage District.

201A E. Main St., Waterford, WI 53185 / 262-895-9086 / director@absolutelywaterford.org

Updated: 10/16/13

ABSOLUTELY WATERFORD

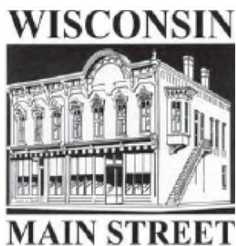

It is our mission to develop Waterford's unique identity while keeping with its rich history, and to promote the revitalization of the charming downtown Heritage District.

201A E. Main St.
(262) 895-9086

Our 2014 events

Annual installation dinner	February
WACC Home & Commerce Show	March 8
Farmers Markets	June-
River Rhythms beverage sales	TBA
River's Edge Art Walk	October
Winter Wonderland Parade	December

AW is organized around the National Main Street Center's (NMSC) criteria. The National Trust for Historic Preservation established the National Main Street Center in 1980 to assist nationwide downtown revitalization efforts. The Wisconsin Main Street Program is based on the Trust's philosophy, which advocates restoration of the historic character of downtown while pursuing traditional development strategies.

Have you noticed any downtown improvements?

Absolutely Waterford is working jointly with the Village of Waterford to enhance the physical appearance of the community. Through village's Curb Appeal Grant Program, commercial property owners and businesses are eligible for up to \$5,000 in matching funds to improve building facades.

The Curb Appeal Grant application is available at Village Hall, 123 N. River St., or at absolutelywaterford.org. Applications are reviewed and forwarded to Heritage District Design Committee.

Grants can be used to fund painting, cleaning, awnings, materials, labor, entrances, window repairs, masonry work, architectural assistance, lighting, signage and roofs with decorative elements. Although it is not a requirement, it is recommended that the applicant consult with an architect regarding any structural or major

façade renovation activities. In order to complete the application, grant seekers must schedule a meeting with the village building inspector at Village Hall to discuss the proposed project and any site plans developed.

Businesses within the Downtown Heritage District must adhere to the Heritage District Design Guidelines, which can also be accessed at absolutelywaterford.org. The document contains pictures and references to the allowable materials, fixtures and sizes of building elements used to enhance the façade of any commercial building located in the Heritage Overlay District.

Free architectural renderings are offered to business and property owners within the Heritage District. Services provided by a Wisconsin Main Street staff architect include color renderings, on-site and

Top Dog Grooming, 228 E. Main St., shown before construction (top) is the latest to join the Main Street makeover, with construction under way. (Photo of complete project unavailable before press time)

telephone consultations, sign design, paint and color scheme suggestions, awning designs, and other preservation-related information.

AW SEEKS VOLUNTEERS, BOARD MEMBERS

Do you like what you see happening downtown? Are you a big believer in helping our community create an environment where small businesses will prosper in our historic hub? Then we urge you to use your time and talents to help revitalize the heart of our village.

We are currently seeking individuals interested in joining our Board of Directors.

Members must believe in the village's potential and be passionate about helping to develop that potential in the downtown Heritage District. Future members, must also commit to attending monthly board meetings. Meetings are currently held on the last Monday

of the month at 4 p.m. Good leadership and organizational skills would also greatly aid a new board member, along with an outgoing personality and willingness to get involved.

If interested, contact President Mike Ciezki at (262) 534-3344 or call Executive Director Michelle Bores-Stockton at (262) 895-9086.

We are also seeking motivated individuals to join our four teams and help carry through our worthwhile work plans.

Economic Restructuring Committee, works on the nuts and bolts of economic development downtown; Meets monthly at Lauer Financial.

Design Committee, is charged with

knowing about and improving the "look" of the downtown Historic Heritage District; Meets third Tuesday of the month, 5 p.m.

Promotions Committee, seeks to blend the Main Street program into a coherent marketing, advertising, and public relations program aimed at promoting the village's core; Meets third Tuesday of each month, noon at AW office.

Organization Committee, works on communication, membership, volunteer recruitment, training and recognition; Meets second Wednesday of each month, 8 a.m.

* Times and locations may vary. Please call the AW office at (262) 895-9086 to verify.
